

How to use this document:

1. Print the document in color (that will have the greatest impact on potential customers)
2. Put your information sticker in the place indicated
3. Laminate the entire page
4. Cut out each item, making sure to keep the black border

5. Give to everyone (other than current customers)!

- Cashier at the supermarket, hairdresser, person standing next to you at the drugstore, leave in the reception area at the doctor's office, leave one on the counter in the restroom at a restaurant, stick a few on the community bulletin board,
- Especially put the one on the Career in every bill you mail! The person opening the envelope may be interested -- you never know!
