How to put this great gift together:

Go to Hobby Lobby or Walmart and get your pots... they're about \$2

You'll also need:

~ Gerber daisies...they're half off at Hobby Lobby right now so I paid \$3.50 for a bunch of 12 (it was cheaper that way than doing individual stems). Each individual stem will cost me about 30 cents this way and I have enough to do 12 gift sets.

~ Green paper shred for grass

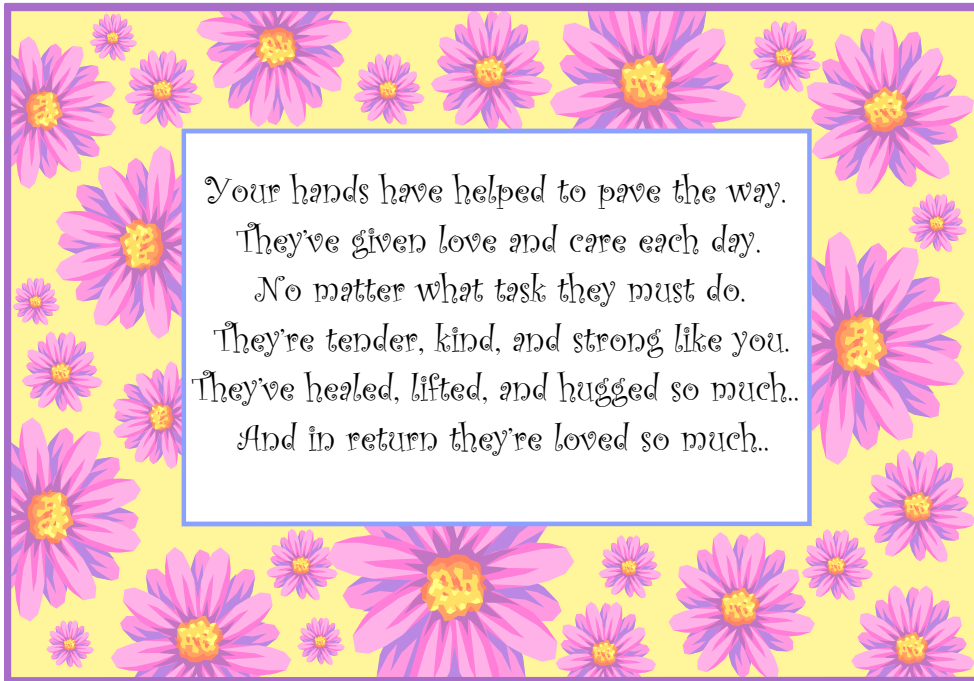

~ Floral Sticks OR bamboo skewers.

I couldn't find the floral sticks so I used the skewers

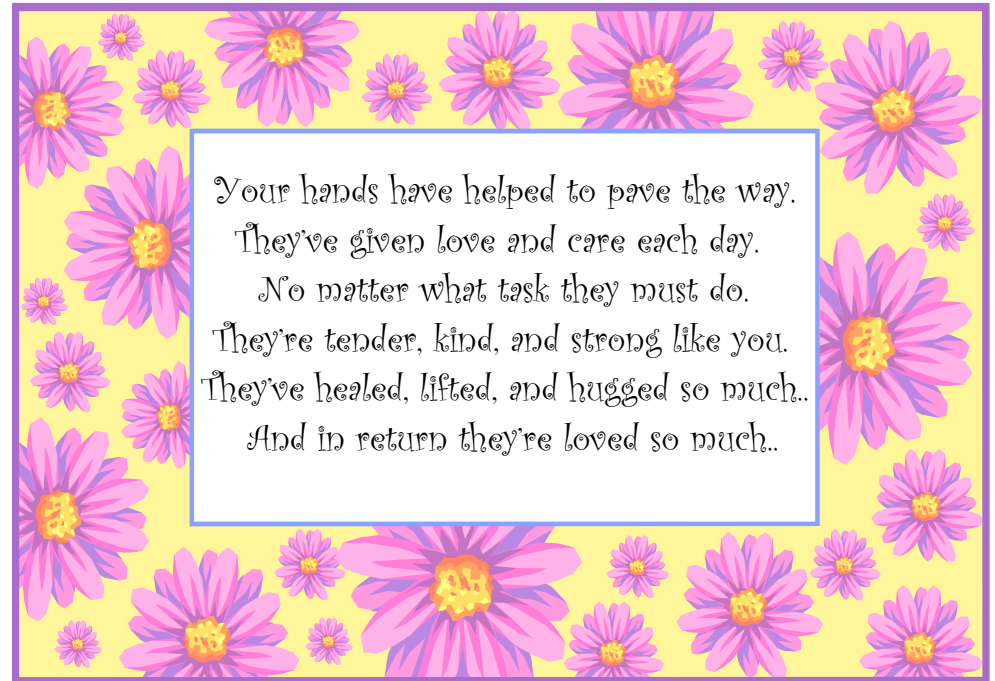

~ Ribbon--also half off at Hobby Lobby this week

Print the attached card off and attach it to your "stick", cut the flowers and arrange them around your Satin Set and you have a beautiful gift set. All the wrapping "stuff" costs you \$3-4. It's a perfect gift set!!!

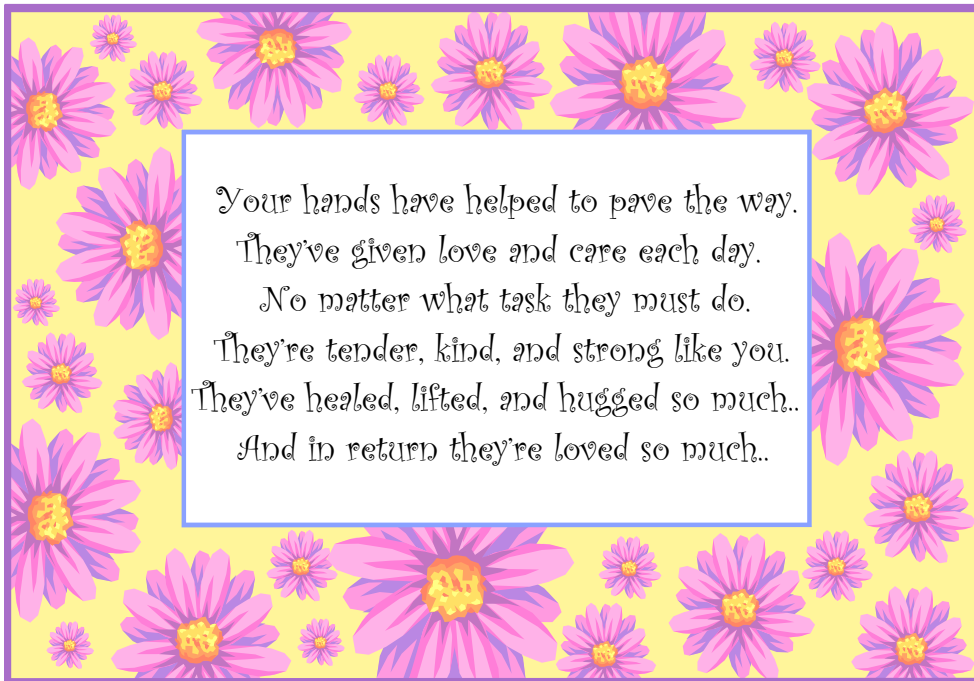

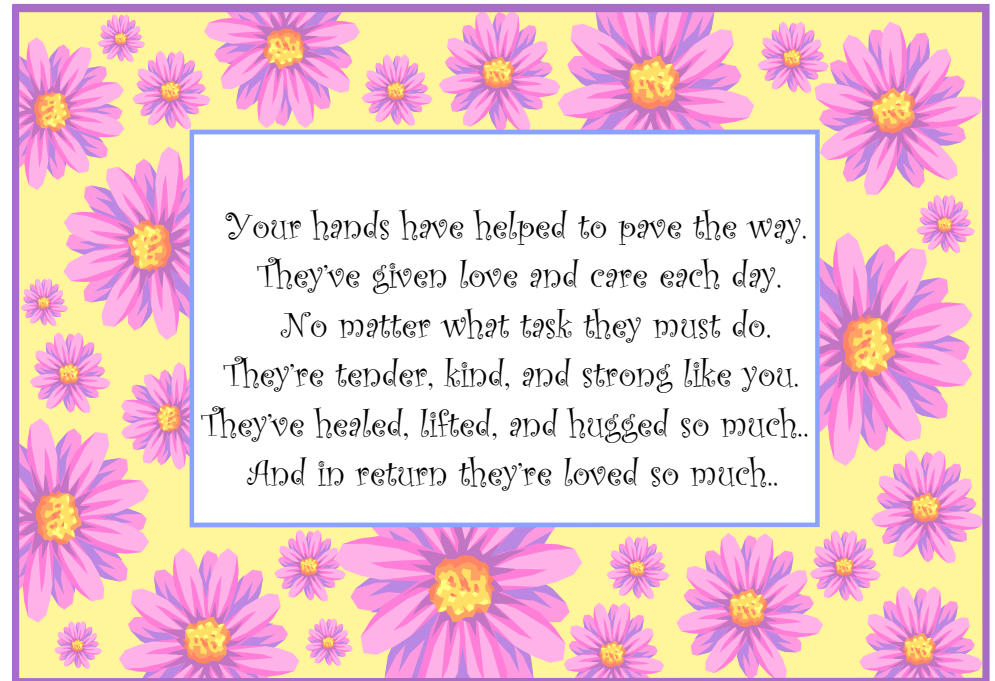

Your hands have helped to pave the way.
They've given love and care each day.
No matter what task they must do.
They're tender, kind, and strong like you.
They've healed, lifted, and hugged so much..
And in return they're loved so much..
